

AJAX ENGINEERED FASTENERS is pleased to announce the purchase of all AJAX TRADING and BRAND NAMES FROM AJAX COOKE a division of NYLEX Consumer Products.

Along With the purchase of the brands we have also acquired all the RIVET PRODUCTS stock and associated tool stock, these products will be added to our existing product range.

We will maintain existing pricing and discount structures that were in place with AJAX / NYLEX CONSUMER PRODUCTS during this transition stage.

Stock of the rivet and tool products will be available for sale on the 14th September. Members of the former business will be joining the team at AJAX. Currently we have a distributor in WA and are working with another distributor in QLD to distribute the rivet products we hope to have this finalized by mid September.

WE LOOK FORWARD TO WORKING WITH YOU TO CONTINUE THE AJAX BRAND
